In recent years there has been a growing concern regarding the lack of diversity on the bench and very few minorities have been applying for judicial vacancies. Arizona Black Bar, through this CLE, will educate attendees on how to construct a competitive application by understanding how factors outside the application impact the viability of an application.

#### **Presenters**

- Frankie Jones, current Chairperson on Commission on Minorities in the Judiciary. She is the justice Court West Bureau Chief for the Maricopa county Attorney Office.
- Genevieve Dyer of Dyer Law Offices, is the Immediate Past President of ABB and Chairperson of the ABB Judicial Appointments Committee.

Light refreshments will be served.
